JUHI COMPUTECH PROFILE

Juhi Computech is Jamnagar based company fast growing and multidisciplinary consultancy cum supplying in Govt. Of Gujarat all over Gujarat . our firm established in 2004 . Presently Juhi Computech working various aorgazisatoion in Govt. Of Gujarat to supplying many things under GEM (Govt. E Market place . by Govt. Of india) govt web portal in all over Gujarat. More than 20 Jilla Panchayat and 30 Nagarpalika and also many Taluka Panchayat .

Govt. Of Gujarat's "Smart Classes" project is similar to our AFSAR BITIYA project .so to gather we can work on this .

Govt. Of Guajrat 's Smart classes project is near of our AFSAR BITIYA project . We can do more in AFSAR BITIYA project and we can help Govt. Of Gujarat to do more in education field with this we help govt to more literacy in rural area and delopment of rular india and Gujarat for that we have made some changes in OUR AFSAR BITIYA project . we can work one more project in govt. Of Gujarat in smart software soulction like smart panchayat smart nagarplika smart classes smart anganwadi and many more . i have strong relation and best experience in this project since last 15 years . im working with govt. Of Gujarat with this type of project since last more than 15 years
